Our War With Japan

The Sixth War Loan marks a new turn in the war both on in the dairy from Ayrshire to the fighting and the home fronts. It points our tremendous Holstein. We also approve the war effort definitely in the direction of the Pacific. During purchase of a few Herefords for the first five war loans Americans were primarily thinking in meat consumption at the farm, terms of beating Hitler.

Now our government asks us for a loan of 14 billion more ed by the charge given by Judge dollars of which five billion dollars must come from indi. Crichton, especially his comments viduals. Why? Haven't we nearly finished off our so-called with respect to juvenile delin-

Number 1 Enemy? Can Japan hold up our powerful war ma-chine very long? Your son, brother and friend in his Pacific foxhole wouldn't raise such questions because they are up against realities, not day dreams. They kill or are killed. They pray every waking moment for a sky-darkening cover of triendly planes. They thank America for giving them the friendly planes. They thank America for giving them the be in satisfactory condition unfinest medical care in the world when their rendezvous with der the present Board of Comdestiny in a Pacific jungle is athand. They know the war with missioners. the Japs is just beginning.

Here are some other Pacific realities so that you will understand why there must be a Sixth War Loan and why it is and other various court officials, absolutely necessary that it be a success:

The Allied Military Command has estimated that it will courtesy and cooperation extendtake years, not months, to lick Japan.

Japan's present army numbers about 4,000,000 with 2,000,- our duties." 000 more men available and fit for military service who Since there were no criminal the ages of 17 and 20, are not yet subject to the draft, distant called for this week were notified not to appear. haven't been called up to date. Another 1,500,000, between nor civil cases for trial at the

In addition to millions of native workers, Japan has a po-tential slave force of 400,000,000 conquered people. 50% of and Kenneth Hunt, of Elkland, Japan's labor force is made up of women. Another 25% boys held in the county jail in default Japan's labor force is made up of women. Another 25% boys and girls under 20, the balance men. The Jap workday is of bail, were released on paytwelve to sixteen hours with two days off a month. The Jap ment of the prosecution costs cannot leave his job, change it, or strike. The highest daily when the charge of breaking and wage equals about three American dollars-30% to 75% of entering, for which they were ar. Fuller; several aunts, uncles and Neal service station on U. S. which goes to taxes and compulsory savings.
